I urge you to look in your own offices and see the proliferation of the 'BEST BUYS FOR YOUR MONEY" on your desks and the desks of your interns, aids, and secretaries. What do you see?

INTEL-PROCESSOR- POWERED-PERSONAL COMPUTERS WITH MICROSOFT SOFTWARE
Why do you see this combination? You see it because you bought the best. YOU MADE THE BEST BUY!

If you need further substantiation of your SMART BUYS, go to the Senate and House offices and you will find the same best-of-breed buys.
